

March 17, 2020

Aspen Timeshare Association is closely monitoring updates from local, state and federal health agencies on coronavirus (COVID-19) and following their guidance and recommendations.

While this is a fluid situation, we are taking a proactive approach regarding COVID-19. Aspen Timeshares will be closing completely beginning March 23, 2020. We will be closed until June 1, 2020; the board of directors will be meeting monthly and revisit the re-opening date of June 1, 2020 depending on the COVID-19 pandemic. This decision was not made lightly and we have taken into consideration the average age of our timeshare owners, most owners must travel from outside the McCall area which increases the risk of infection.

Aspen Timeshares Association will continue to take all appropriate precautions recommended by the CDC and local health agencies to ensure your safety.

We have no phone numbers or emails to contact you, please call us or email us to let us know you will not be coming week 18.
